Re: Index No. 651625/2018 (Lehman Article 77)

Dear Justice Friedman:

Pursuant to a teleconference with Ms. Manley earlier today, we write to clarify that the “Institutional Investors” who expressly consent to the Proposed Judgment for SASCO 2006-Z (Dkt. No. 125, dated August 20, 2018) include each of the following thirteen investors we represent, all of whom were included in our initial Notice of Appearance (Dkt. No. 17):

AEGON USA Investment Management, LLC, BlackRock Financial Management, Inc., Cascade Investment, L.L.C., The Federal Home Loan Bank of Atlanta, Goldman Sachs Asset Management, L.P., Invesco Advisers, Inc., Kore Advisors, L.P., The Metropolitan Life Insurance Company, Pacific Investment Management Company LLC, The TCW Group, Inc., Thrivent Financial for Lutherans, Voya Investment Management, and Western Asset Management Company (each for themselves and, to the extent applicable, as investment managers of funds and accounts, and collectively, the “Institutional Investors”).

Thank you for your continuing attention to this matter.

Best regards,

/s/ David M. Sheeren
